ROOTED IN HOPE
ACTING WITH COURAGE

Friends of **NCR**

Dear Readers.

Every year when we publish this list of NCR supporters, I enjoy paging through it to spot old friends. I also spot new friends, some of whom I've called during the year to thank for their donations.

This special section of NCR is my chance to thank all of you for supporting the kind of independent journalism about the church and its people that's not available anywhere else. Given the decline of traditional revenue streams for news organizations, producing this watchdog coverage would not be possible without your help.

This is a critical time for all Catholics as we head into the final year of the synodal process that Pope Francis created to enable all of our voices to be heard.

That's what NCR is all about: enabling a wide range of Catholic voices to be heard. Catholics of color, Catholics who identify as LGBTQ, Catholics who have been marginalized, one way or another, by a church struggling to find its way.

We are all part of NCR's community of Catholics, many of whose names you'll find in the pages that follow. I hope you know how much we appreciate your support. And what a difference it makes.

With gratitude,

Bill Mitchell
NCR CEO/Publisher

P.S. I encourage you to check out two ads in this issue: a full-page ad that lists our NCR Legacy Society members and another on the opposite page that describes the NCR Legacy Challenge.
